RULES OF PERFORMANCE-QUÉBEC PROGRAM

MANAGED BY «ASSOCIATION DES ÉLEVEURS DE CHEVAUX DE REINING» ('Quebec Reining Breeders Association')
AND APPROVED BY «ASSOCIATION QUÉBÉCOISE DE REINING» ('Quebec Reining Association')

INTRODUCTION: ** revised October 15, 2011

Quebec Reining Association has created an excellence and young horses promotion program intended for reining competition and, by all means, for the breeding of reining horses: The program is called Performance-Québec.

This program has a four-year reining competition span:

- Bit Futurity as 3-year old
- Derby as 4-year old
- Derby as 5-year old
- Derby as 6-year old.

As Performance-Québec has overlapping years, each program year is duly identified with nominees foaling year.

I.e.: Performance-Québec 2011 puts together all 2011 nominated foals that will be eligible to enter P-Q reining activities to be held in 2014, 2015, 2016 and 2017.

The Performance-Québec #1 goal is to spur on the reining horses market in Eastern Canada and Northeast USA with yearly guaranteed added prize monies, adding valued attractions to nominated foals sale.

All nominators will receive an official document to certify participation in Performance-Québec following receipt of a registration certificate copy of each nominated foal.

All late nominations received afterwards, and up to the final closing date of each event, will be part of Performance-Québec added prize monies and all purses calculations take into account all last minute modifications if these late nominations total more than extra amounts added by the Association..

Article 9: NON PRO STATUS

Non Pro: any exhibitor holding an NRHA Non Pro card or Youth Non Pro card is eligible. Current year NRHA Non Pro card is mandatory.

For a horse shown in any Non Pro division, Performance-Québec refers to current NRHA rules regarding ownership.

Article 1: GENE#RAL POINTS

These actual Performance-Québec rules take effect on January 15, 2012 with foals of 2006 and after.

There is no restriction as per the number of foals an owner (or breeder) may nominate. However, any competitor is permitted a total of three (3) horses for any Performance-Québec event.

Both rider and owner of a nominated horse must be a current member of «Quebec Reining Association» and of NRHA to enter any Performance-Québec event.

The Association may cancel any event, any time before the actual event: the only responsibility of the Association is to refund all entries.

All prize monies are paid by cheque payable to owner, within ten (10) days following each event, except if owner advises otherwise. All cheques are mailed to the rider: if there is a doubt and the rider is different from owner, cheque is made payable to owner and mailed to owner.

All show rules are part of the current National Reining Horse Association Handbook except if otherwise approved by the Board of Directors of the Association. All dollar values expressed in these rules are Canadian funds.

These actual Performance-Québec rules may be amended at all times by the Board of Directors of the Association. The French version of these rules prevails over any other language.
